Every permit issued by the building official shall expire by limitation and become null and void if the building or work authorized by such permit is not commenced within 180-days from the date of such permit, or if the building or work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180-days. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The issuance or granting of a permit or approval of plans, specifications and computations shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of this code or of any other ordinance of the jurisdiction or any other federal, state, or local law, statute, rule, regulation, or ordinance. The permit applicant is registered with the Construction Contractors Board of the State of Oregon under the provisions of ORS 701, and the registration is in full force and effect under Certificate of Registration Number: 3944

This permit applicant is exempt from registration with the Contractors Board for the following reason: _____

Expiration date: **7/23/2016**

Permittee's Signature

January 25, 2016

Date Issued
